Section 5 | Program Schedule

Schedule. The Program Management Office (PMO) continued program support activities as planned. The Engineering Team continued providing permitting support to the DCO and progressing supplemental concept validation studies. The team also continued to host regular meetings with DCO environmental and engineering teams to review the current status of ongoing studies and activities. The team also continued to support ongoing environmental and fieldwork activities. The Fieldwork Team continued planning efforts for the Spring 2023 Program.

Disclaimer: This Program Sequence is for discussion purposes only and does not represent a decision by the DCA or DWR. Final decisions about the project will be made by DWR and will NOT be made until the concluding stages of the CEQA process.
