Alameda County Water District Hosts Free Landscape Workshop for Tri-City Residents

Fremont, Calif. – The Alameda County Water District will host an “Alternatives to Lawn” workshop, in partnership with the Bay Area Water Supply and Conservation Agency (BAWSCA), on September 9 in Fremont.

Workshop attendees will discover the benefits of drought tolerant plants as an alternative to lawn, and learn how to create a water-efficient, low-maintenance landscape. Presenter Deva Luna, a seasoned horticulturalist, and manager and principal designer at a sustainable landscaping business in the Bay Area, will lead the discussion.

Come and explore a variety of ways to create a beautiful and sustainable landscape that will conserve water, resources, and reduce maintenance costs.

This workshop is free and open to any resident in the Tri-City area. If interested, please register at: <http://bawasca.org/conserves/programs/events>

Date: Saturday, September 9, 2017

Time: 9 a.m. – Noon

Location: ACWD Headquarters
43885 S. Grimmer Blvd.
Fremont, CA 94538

###

For over 100 years, the Alameda County Water District has supplied water to the residents and businesses of southern Alameda County. ACWD supplies drinking water to the more than 351,000 people living in the cities of Fremont, Newark and Union City. For more information, please visit www.acwd.org.
